In accordance with P.L. 1975 Chapter 231, notice of tonight's meeting was mailed to The Record and The Ridgewood News on February 14, 2017. Notice of this meeting was also mailed to the Borough Clerk and was posted on the bulletin board of the Board of Education Office in the Administration Building on the same date. Copies of the procedures in effect for Regular Board Meetings are available for the public at tonight's meeting.

**MISSION STATEMENT**

The Glen Rock School District, an integral part of a supportive community founded on the principles of education, embraces its students as its highest priority by providing an exceptional education and opportunities for personal development of the whole child in a secure environment through a comprehensive, innovative and rigorous curriculum and co-curricular activities to foster productive and responsible citizens of the globally connected society.

**STATEMENT TO THE PUBLIC**

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied and Board of Education President concurs that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Board of Education meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After the Committee of the Whole approves the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.
