May 20, 2020

Did you know today in history... May 20, 1927 at 7:40 AM, Charles Lindbergh took off from New York to cross the Atlantic for Paris, aboard Spirit of St Louis (1st non-stop flight).

• **Honoring our 2020 GR High School Seniors:** Thank you Mrs. Scarpelli and Mrs. Somers for organizing the Senior banners. A huge thank you to all of the parents who spent time on this project honoring and celebrating the Class of 2020. The project was funded by the District.

• **Celebrate your 2020 Grad:** Please send a photo of your 2020 GR High School Senior with their name and a short blurb. Send to press@glenrocknj.org. We will post to district social media.

• **The GRHS Class of 2023 Mask Fundraiser:** They are very excited to help the community stay safe, be healthy, and show our Glen Rock pride and solidarity! Masks have become a necessity, and we hope this option can help students, families, neighbors and friends feel a little more connected to our incredible school and community. Not being at school limits our ability to raise funds the old-fashioned way; your purchase helps to support the Class of 2023 with their future events and activities. Orders will be sent directly to your home—easy and contact-free. [Order here!](#)

● **Media Center Resources:** The MS/HS Media Center has a subscription from their EBSCO database to PrepSTEP, which offers: Guided Prep Programs // Preparation Tutorials // Practice Tests // Flashcards // Review eBooks. [Students will need to register](#) and use their school emails. After registration, to choose specific tests, click "Home" to go to the main page, then choose the 1st option "Prepare for College". From there they can work on ACT, SAT, & SAT Subject test prep.

● **GR Middle School's Art Happenings, Visual Arts 8:** Art Teachers: Kathy McArdle and Wendy Roche. GRMS students have been making extraordinary art at home - and using some surprising everyday materials! In the first few weeks of home instruction, students completed their tessellation projects using Sharpies and colored pencils. Inspired by the artist M.C. Escher, these tessellations combined color blending and shading techniques to create fantastic interlocking, repeating images. Students then had fun repurposing old magazines and newspapers to create unique torn collages of food items. This week students are creating their own homemade paint brushes and using concentrated tea and coffee to paint a modified contour portrait of a pet or family member!

● **Honoring GRHS Alumni First Responders:** Know a Glen Rock HS alumni who is a first responder. Honor them with a photo and blurb to be posted on social media. Send to press@glenrocknj.org. We will try to post as many as possible on district social media.

● **Basketball Summer Camp:** This Glen Rock Basketball Academy Summer Virtual Training by the GR High School Coaching Staff will be a fun and educational time. Coach Jason Mittelman will lead this camp over Zoom from a basketball court. This camp will focus on warm up/workout, shooting, footwork, ball handling, 1 on 1 moves off the dribble, 1 on 1 moves off the catch, finishing moves and defense. Grades 4 – 9 // July 13 – 17 // Mon – Fri // 10 – 11:30 AM // \$100 // [Register](#) at or [email](#) with questions.

As a reminder, school property is closed at all times. There is to be no use of the fields, playgrounds, parking lots, etc. We are Glen Rock Schools!

Sincerely,

Allison De Meulder
