Dear Glen Rock Schools,

With the directive to close schools by County Executive James Tedesco, Glen Rock Schools will implement our online learning plan effective, **Tuesday, March 17, 2020**. Please be advised that schools will be closed from the end of school today through March 27, 2020. Monday, March 16, 2020 will remain closed for students as we want to provide staff with an additional day to prepare.

Please monitor the district website at [www.glenrocknj.org](http://www.glenrocknj.org) for additional information and updates. In addition, we created a page for updates related to COVID-19 and the schools here:

The bell schedules for our schools during this closure will be as follows:

- Glen Rock High School will follow the normal bell schedule - 7:50 am - 2:54 pm
- Glen Rock Middle School schedule will be 7:50 am - 12:26 pm. Students will follow their normal schedule as they would on a 1/2 day. Teachers will make themselves available to answer student questions until 3:00 pm.
- Glen Rock Elementary Schools will provide 4 hours of work for students. Teachers will monitor student progress, provide feedback, and answer questions between 8:30 am - 3:30 pm.

Although schools are closed, Glen Rock Schools is prepared to provide meaningful instruction. As long as students are healthy, it is the expectation that students will be engaged and complete all assigned academic work. Attendance will be taken daily at all schools. In addition, the High School and Middle School will take attendance by period as well. Please contact your child's teacher if you have any questions.

For parents whose children are receiving special services, please contact Dr. Edwards [edwardsl@glenrocknj.org](mailto:edwardsl@glenrocknj.org) or your child's Case Manager [Special Services Staff Listing](#).

For parents whose child is having difficulty with technology, please contact [helpdesk@glenrocknj.org](mailto:helpdesk@glenrocknj.org).

Athletics, field trips, BOE approved professional development, and all extracurricular activities will be canceled for the duration of the school closure unless otherwise directed by the NJDOH, NJDOE, and/or the NJSIAA. All Community School preschool classes, before and after care, enrichment day and evening classes are canceled as well. Essentially, all school buildings will be closed through March 27, 2020. Parents and students will not have access to the buildings after 7:00 pm tonight. Please have your child bring home any books, supplies and technology which are needed.

During this closure, please contact your child's principal should you have any questions or need support. We are here to help. It is important to recognize that this is a worldwide health emergency. Be safe and take care of each other - we will get through this together.

We are Glen Rock Schools.

Sincerely,

Dr. Brett Charleston
