Dear Parent/Guardian,

Glen Rock is preparing to mail home individual student reports (ISRs) for the students who participated in the Partnership for Assessment of Readiness for College and Careers (PARCC) during spring 2015. These online tests were designed to replace the New Jersey Assessment of Skills and Knowledge (NJ ASK) and the High School Proficiency Assessment (HSPA) and match the content and skills outlined in the *new* Common Core Standards that are guiding instruction. The results from PARCC, along with your child's educational learning experience, including performance in the classroom, provide an overall picture of his or her academic success and progress towards graduating high school ready to succeed at college level work.

Since we do not have a score report to send to parents whose child either did not participate, or had limited participation and therefore did not receive a valid test score, we are providing generalized score information. Please click the following links to view that information.

[ELA Parent Guide for Score Report](#)  
[Math Parent Guide for Score Report](#)

If desired, you may find grade level learning resources that can be accessed from home via the following websites:

- Video explaining the score reports: <http://www.understandthescore.org>
- Additional resources for parents: <http://www.bealearninghero.org>
- PARCC assessment information: <http://www.parcconline.org/resources/parent-resources>
- New Jersey specific information: <http://www.state.nj.us/education/assessment/>

If you have any questions, please contact your child's school principal, and/or the Director of Curriculum and Instruction.

Sincerely,  
*Paula Valenti*
