## **Annual Report**

- **Beginning with the September 2011-2012 school year, our district has conscientiously implemented the requirements found in the Anti-Bullying Bill of Rights. Since the implementation of the ABR, we have made progress in addressing harassment, intimidation and bullying incidents by improving school climates and culture through various programs and activities held in each of the six Glen Rock Schools.**
- **In the ensuing years, we will continue to work toward strengthening the programs and activities to help promote social-emotional growth in all of our students.**
